Dear Parents,

We hope this message finds you well. We would like to bring to your attention some important reminders regarding the sign-in and sign-out process for your child.

Sign-In & Sign-Out Policy:

We have noticed that some parents are using their partners' numbers to log in and out of the Camp Australia tablet when dropping off or picking up their children. As per our Camp Australia policy, it is essential that parents or guardians use their own personal number to sign in and sign out their child. This helps us ensure that all procedures are followed correctly and maintains accurate records for safety and compliance.

If you cannot see your number in the app, please don't hesitate to reach out to us. We would be more than happy to assist you in adding your number to the system. Alternatively, your partner can easily add your number via the Camp Australia app.

Important Reminders:

- Please ensure that you are **logging in and logging out** when you drop off or pick up your child.
- If there are any **court orders** in place, please reach out to our educators for assistance with signing in or out.
- For safety reasons, **make sure that your child/ren are signed in or signed out in front of you.**

Your cooperation is greatly appreciated as it helps us maintain a safe and efficient process for everyone.

Thank you for your attention to this matter.

Warm regards,
Kalindi Joshi,

Service Leader.
