Important Information about Casual Bookings and Pick-Up Arrangements

Dear Parents,

We hope this message finds you well! As we continue to ensure the smooth operation of our program, we'd like to take a moment to remind you about some important guidelines regarding casual bookings and child pick-up arrangements.

1. Check Your Casual Bookings: Please take a moment to check and confirm your casual bookings for upcoming sessions. If you have not yet made a booking, we encourage you to do so as soon as possible. We want to ensure that there is space available for your child, but please note that if we are fully booked and at full attendance, we cannot accommodate last-minute additions.
2. Pick-Up Organization: It is important that you have a clear plan for picking up your child after their session. If the pick-up is to be done by a friend or relative, we kindly ask that you add their details to the list in advance or send us a note informing us of who will be picking up your child.
3. ID Checks: For safety and security, we will require the person picking up your child to show ID. We will only release children to individuals whose names match the details you've provided, and we will need your written consent for this arrangement.

We greatly appreciate your understanding and cooperation in ensuring that pick-up procedures run smoothly and safely.

Thank you for your continued support. If you have any questions or need further assistance, don't hesitate to reach out to us.

Warm regards,

Kalindi Joshi.
